LOOKING FORWARD

As the days get shorter and summer is drawing to a close we are looking forward to fall and restarting our monthly get togethers for an afternoon of games, trivia, and fun. Our first get together is right around the corner on Sept 11 at 1pm. We will be gathering at the Albany Bowling Center. We will have some pizza and wings, and 'treats' to share, along with some trivia, possibly play card bingo again (like we played at the picnic), door prizes and good conversations. We look forward to seeing everyone again in a few weeks.

Please feel free to share your own trivia questions or stories of days gone by. It is always fun to hear and talk about the history of Albany.

I would like to thank Tom, Diane and Steven for organizing the float decorations and pulling the wagon in the Heritage Days Parade. And a thank you to the Meier family for allowing us to use the wagon again for members to ride.

Pioneer Days will follow close behind. We will again have a display in the feature building. Stop by, take a look, say hi and spend some time if you can.
